This estate offers a private gated entrance from Kahala Avenue just minutes from Waikiki, University of Hawaii, and downtown Honolulu. With the ocean steps off the backyard via private entrance, you'll find fantastic snorkeling and paddling right along the protected reef.
This 5-bedroom, 5-bath main house has two living areas and a lovely waterfront patio. The design and decor are reminiscent of old Hawaii throughout the two story floorplan which includes a living room and bar, ocean front dining area, a separate upstairs media room, and large covered lanais from the upstairs master suites. Two studios on the property have their own kitchenettes and private entries with additional bedrooms.
