

A wide-angle photograph of a tropical balcony overlooking the ocean. The balcony has a light-colored wooden ceiling with a white vent. A metal railing runs along the edge. In the foreground, there are several potted plants, including large green ones in brown pots and smaller pink ones in a pink pot. Two lounge chairs with white towels are visible on the balcony. The background shows a clear blue sky with white clouds, a sandy beach, and the ocean with small waves. Several palm trees stand in the mid-ground.

Kahala conjures up old Hawaiian elegance, the slopes of Diamond Head, and epic sunsets. This stunning property is nestled on a beachfront lane with bougainvillea hanging over neighbors' walls, privacy gates, and a feeling of something special. The home's own gate opens to a thoughtfully laid-out round-about driveway that encircles a full-grown banyan tree. Through a second rich wood gate, you're welcomed by floating steps that lead over a pond and to the entrance where the grand room awaits.

The home features seven bedrooms, eight full baths, and a half-bath encompassing 14,000 square feet. If you're looking for the quintessential Hawaiian luxury experience, then this is for you.

The grand room is just that, grand. It features open beam ceilings, skylights, and views of the ocean, swimming pool, and beachfront lawn. Two wings extend on the left and right of the grand room, one with the gourmet kitchen, game room, and two guest rooms with respective en suite bathrooms. The other wing boasts an oversized family room, home gym, office, and two guest rooms with wet bars and en suite bathrooms. Guest rooms offer privacy and garden views.

Each wing has a second floor boasting three additional guest rooms. The master bedroom is spectacular with sliding walls retracting to blend indoor and outdoor living. Fall asleep in your private retreat listening to the sounds of the ocean waves just steps away. The other wing features two bedrooms downstairs and a third upstairs with an ocean view.

The eighth bedroom lies just inside the gates off to the right, ideal for a security post, couple, a teenager hang out, older couples who prefer a shorter distance to their accommodations. Within this guest house, you'll find a well-equipped kitchen, resort-style bedroom, an en suite bathroom, separate lanai, and garden view.

The back yard is enchanting with a shimmering moderately sized pool and the manicured yard edged with native plants. The beachfront lawn is steps to the ocean through a gate. A few carefully placed steps to the right will land you on a sandy beach accessible only by residents. Oahu 328 sits along a cove, perfect for swimming, snorkeling, casting, and surfing.

This home combines days gone by with modern comfort and plenty of space. Come see why Oahu 328 is Oahu's most irresistible luxury vacation rental.
