Enjoy this private island with a Hawaiian contemporary villa just minutes from Waikiki along a mile-long stretch of white sandy beach. Privacy is the hallmark of this "one-of-a-kind" tropical estate. Oahu 327 is surrounded by natural wonder: a Bird wildlife sanctuary lagoon behind the home, 8 acres of preservation land adjacent to the property, and it fronts the Pacific Ocean.

The contemporary home was built new in 2007 by Oahu's finest custom builders Sutton Construction. It features sea stone coral walls with expansive floor-to-ceiling windows that open on all sides to bring in the lush mountains, cool ocean & tranquil lagoon as well as gorgeous Hawaiian sunsets 365 days a year. The light-filled interior highlights high ceilings and an open floor plan with mahogany doors and trim, marble floors, a stunning chef's kitchen, and a grand master suite with ocean views.

In addition, Oahu 327 has two guest suites, a den, office, and a separate guest apartment with its own direct ocean view. A wrap-around lanai with areas for entertaining as well as a koi pond and swimming pool all face the beach, showcasing panoramic views of the Pacific Ocean from Diamond Head to Koko Head.

This secluded island villa allows you to escape to the sounds of the surf, secluded beaches, and birdsongs, yet is still close to all the cultural activities, restaurants, and shopping of Honolulu.
