

Oahu 357 is a place that will fill your soul and refresh your mind. A place that fuses Balinese textiles with modern Hawaii luxury.

This expansive estate was masterfully designed and built by Lundgren Construction, a north shore builder known for their expertise in custom Balinese design. The estate is nothing short of a masterpiece and offers 5 luxurious bedroom suites and 6.5 bathrooms. The main house has 4 suites, and there is a separate Guest House with 1 bedroom, 1 bathroom, kitchen, living and dining area. Each room tells it's own story with rich interiors and inviting furnishings. Watch the tides roll in from two of the oceanfront Master bedrooms that each unfold to a covered lanai. A generous living area opens up to a state-of-the-art kitchen and dining area that is fully stocked, while adjacent glass doors lead to the oceanfront BBQ terrace. Showcasing globally sourced materials from the ceiling to the floor and in every corner, no detail at Oahu 357 has been missed.

Put a pause on time and unwind by the exquisite saltwater pool which sits privately at the center of the home, along with a nearby jacuzzi, full pool bathroom and outdoor shower. Dine al fresco on the covered BBQ terrace where steps lead to a private oceanfront lawn and gated beach access.

This stunning villa sits beachfront to Papailoa Beach, which has a long stretch of beautiful white sand and shallow reef lines all along the coastline, making it ideal for swimming during non-winter months. Papailoa Beach is also a haven for spotting Honu's - Hawaiian for green sea turtles. Do not be surprised should a few tortoise friends greet you during a morning walk along the beach.

Located on the North Shore of Oahu, Oahu 357 is a surfers paradise located near some of the greatest, world renowned surf breaks such as Sunset Beach, Waimea Bay and Banzai Pipeline. A short drive away from quaint Haleiwa town, where you can find local boutiques, exotic eateries and the best shave ice, a local Hawaiian icy treat perfect on any hot Hawaiian summer day.
