Wow, what a home. If beachfront isn't a requirement, there is no finer home for the money than this absolutely stunning home.

This elegant home offers three levels of living, a beautiful backyard with a swimming pool, two kitchens, a simple one on the first floor, and the other a chef's delight, and it's complete with an elevator. The beautiful woodwork throughout the home brings warmth to this home. The grand master bedroom looks out over the ocean to Koko Head. Spacious, simple, and lovely.

Waikiki is around the corner 5 minutes drive, the Kahala Resort in the opposite direction just 5 minutes, Whole Foods and the Kahala Mall are a few minutes away, the beach is a 10-12 minute walk, the University of Hawaii is 7-minutes, and the freeway is easy to access. The location is fantastic.

There are multiple patios with outdoor seating and lounge areas throughout the home which allows everyone to have personal space when needed.

This is a fantastic home; don't miss this.
